Dignidad

Descripción

El beneficio de la Tarifa Dignidad aprobado mediante Decreto Supremo N° 28653 de fecha 21 de marzo de 2006 fue ampliado hasta marzo de 2014.

El Decreto Supremo N° 465 de 31 de marzo de 2010, establece que la Tarifa Dignidad favorece el acceso y uso del servicio público de electricidad a familias de escasos recursos económicos de la categoría domiciliaria, reduciendo el monto de la factura mensual de energía eléctrica en un 25% a consumos que no superan el límite de 70kWh-mes, tanto en empresas que operan en el SIN, Sistemas Aislados y Sistemas Menores.

El monto rebajado es financiado por las empresas eléctricas que operan en el Mercado Eléctrico Mayorista. El citado Decreto establece la obligación de la Autoridad de Fiscalización y Control Social de Electricidad (AE) de fijar los montos de rebaja y cancelación y realizar el respectivo seguimiento a estas operaciones.

Con relación a la cobertura de la Tarifa Dignidad durante la gestión 2013 destacan los porcentajes de beneficiados registrados en los departamentos del occidente del país. El detalle es el siguiente:
